

S.T.A.R.T.

skills, training, and readiness

TODAY

Prepare for your new career field through this exciting program!

START YOUR FUTURE with Tri County Community Action and Harrisburg Area Community College!

S.T.A.R.T. prepares you with everything you need to start or restart your career.

First, you'll be paired with a TCCA Family Self-Sufficiency Case Manager who will work with you on setting your long-term goals, connect you with community resources, and help provide the support you need to succeed in S.T.A.R.T.

Through S.T.A.R.T. you receive training in WorkKeys (Career Readiness Assessment) as well as skill building in interpersonal relationships, team work, stress management, emotional intelligence, conflict resolution, and decision making.

Then, select your training program to get the skills you need to join the field of your dreams.

Choose from the following career paths:

- * Call Center Representative
- * CNC (Computer Numerical Control Machinist)
- * EMT / EMS Academy
- * Medical Billing & Coding
- * Office Assistant
- * Physician's Office Assistant
- * Pharmacy Technician
- * Phlebotomy
- * Welding GMAW (Gas Metal Arc Welding)
- * Welding SMAW (Shielded Metal Arc Welding)
- * Wastewater Treatment Operator
- * Forklift Operator

S.T.A.R.T. is an income-qualified, residence-based program for Cumberland, Dauphin, and Perry County.
